

part-time KCL Culinary Instructor/Special Event Coordinator!

If you have a passion for helping kids learn about healthy diets, experience new foods, and gain the confidence to cook wholesome meals, then Kids Cooking for Life (KCL) is a perfect fit for you. We are looking for an exceptional individual who would like to become a part-time Culinary Instructor and Special Event Coordinator.

KCL teaches nutrition and inspires lifelong healthy cooking and eating habits through hands-on cooking classes.

We depend on revenue from events such as birthday parties to supplement our regular programs. Duties would include marketing and promoting KCL bday parties, coordination with client, food purchasing, set-up, instruction and clean-up. Parties would take place on weekends.
