

Days of Service

A Day of Service (DOS) is a set time when volunteers are encouraged to participate with nonprofit agencies, service opportunities, events, or activities. DOS help to raise awareness, mobilize volunteers, and provide individuals with an opportunity to engage and build new connections and find support for programs. They can also coincide with other national holidays or recognized events. Depending on the project size, culture, and goals, there are a number of ways to work with CVNL to support your volunteer needs. We invite you to partner with us to recruit volunteers and engage them in your services and programs!
