Regional Director of Behavioral Health

For more than 45 years, Buckelew Programs has been committed to the mission of providing mental health and addiction services that promote recovery, resilience and hope. The agency provides numerous essential community services throughout Marin, Sonoma and Napa counties ranging from supported housing and job training for people with mental illness to outpatient psychotherapy and other support for children, adults and families, as well as residential detoxification services, and a regional suicide prevention program and crisis hotline.

Under limited supervision, develops, organizes, administers, and oversees the clinical care and operations of the programs, utilizing evidence based best practice models. The Regional Director is responsible for developing services with community partners, promoting high quality customer service, providing clinical and administrative supervision to assigned Program Directors, maintaining culturally competent and quality services, marketing services and programs, and ensuring services are delivered within fiscal and budgetary parameters.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Serve on the Agency Senior Management Team with other senior staff.
- Participates in the development and implementation of the strategic plan with goals and strategies for the programs. Develops program goals with Program Directors and monitors progress.
- Promotes and develops a culture of growth, learning and collaboration across the programs. Coordinates and collaborates with directors of other Agency programs in respect to clinical planning, service delivery, budgeting and cross-program issues.
- Promotes services sensitive to the diverse ethnic populations of Marin, Sonoma and Napa County.
- Encourages a positive customer service orientation within the Agency and for consumers and families served.
- Remain informed about trends in programming, funding and staffing. Manages resources and implements changes as needed according to financial considerations, trends and clinical or program needs.
- Assist with budget and grant planning, preparation, monitoring, and reporting.
- Develops, administers and adheres to Agency Program budget(s), unit projections and other data measures. Assist Program Directors with budgeting and forecasting.
- Participates in grant proposals for the programs and promotes generation of revenue from private sources.
- Directly supervises program directors, including hiring, training, motivating, evaluating, and disciplining. Indirectly manages other staff in the programs. Encourages the professional growth of Program Directors and other program staff.
- Provides Leadership to Program Directors and Teams and for the Agency as a whole. Provides clinical leadership in respect to Agency-wide decision-making and problem solving that is consistent with the Agency mission, vision and values.
- Mentors staff around operationalization of Buckelew Program’s systems of care.
- Participates in and utilizes opportunities that provide professional growth through attendance at Agency internal training and other conferences and by conducting consultation and education functions as indicated.
- Promotes delivery of high quality services, including evidence-based practices, and ensures compliance with Agency’s Quality Improvement Plan.
- Identify, implement and monitor customer service standards to ensure the team is meeting internal and external customer needs, in a professional manner that recognizes the human potential for growth and change.
- In conjunction with the Director of Quality and Compliance, develop and monitor program quality assurance and evaluation systems, and oversee ongoing program contractual compliance.
- Design outcome objectives in collaboration with major funders. Oversee program delivery so that objectives are met or exceeded.
- Recommend to the CEO new services and programs, and/or modifications to existing programs to better meet client needs, and assist program staff in implementing approved changes.
- Serves as a representative / role model of Buckelew Programs with program consultants, consumers, families and the community as required. Projects a positive image to other agencies and general public.
- Represents Buckelew Programs at system wide community forums and reports / integrates information with Agency practices. Represent the agency at community and/or behavioral health systems of care meetings and maintain positive relationships with funding sources.
- Periodically attend program staff meetings.
- Be available to agency staff for emergency situations.
- Other, as delegated by the CEO.
