

Job Title: Bilingual School-Based Mental Health Clinician
Classification: F/T (40 hours/week) exempt
Location: San Francisco, CA (temporarily remote)
Reports to: Director of Outpatient and School-Based Services

Oakes Children's Center is a school-based mental health agency that provides mental health services to youth with emotional and/or developmental challenges and to their families, particularly in underserved communities. Our goal is to foster the social, emotional and educational growth necessary for children to continue learning and fully realize their potential. We fulfill our mission by providing individualized education, innovative and culturally-responsive therapeutic services, comprehensive assessment, and clinical training.

The School Based Mental Health Clinicians provide mental health services to clients at schools in the San Francisco Unified School District. Services can include individual therapy, group therapy, attendance at client's IEP meetings, family therapy, parent collateral, and clinical consultation with school district personnel. Clinicians will travel to and from various school sites, depending on need. One day per week will be spent at Oakes for clinical discussion/supervision, collaboration with other Oakes' School Based Mental Health Clinicians, and documentation time.
