volunteers shine.**

HEART OF SONOMA COUNTY
**SPONSORSHIP
PROPOSAL**

Supporting nonprofits, leaders, & volunteers

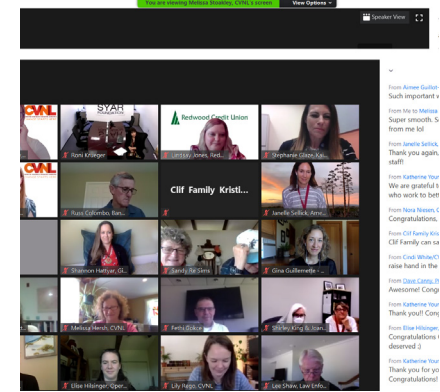

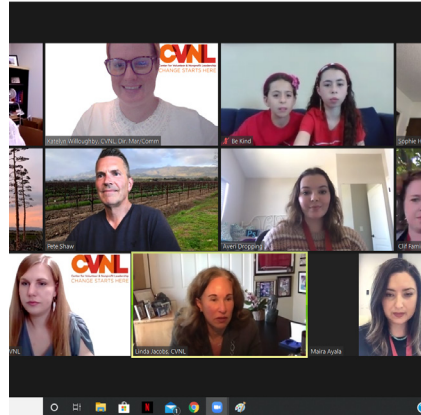

Center for Volunteer & Nonprofit Leadership (CVNL) has over **60 years** of experience advancing nonprofits and volunteerism by strengthening leadership, encouraging innovation, and empowering individuals in their communities.

Since our merger in 2019 with the Volunteer Center of Sonoma County, we now offer comprehensive programs that support nonprofits and volunteers including training, executive search, customized consulting solutions, volunteer services, and corporate engagement. Heart of Marin™ and Heart of Napa™ events support nonprofits of every size and mission through recognition and cash awards.

Other programs and services include Secret Santa, the Sonoma County Human Race, Court Referral Program, and Volunteer Wheels. We provide disaster preparedness training and serve as an Emergency Volunteer Center (EVC), overseeing spontaneous volunteers and donations for Napa, Marin, Solano, and Sonoma Counties in the aftermath of a disaster.

Supporting CVNL gives you an opportunity to make a sector-wide impact. With your help, we can achieve our mission of advancing the entire nonprofit sector by giving local leaders the skills, connections, and confidence to take their cause to the next level.

About the Event

Heart events have celebrated the achievements of nonprofits & volunteers for decades.

We are excited to introduce a recognition event to benefit the entire community: **Heart of Sonoma County Awards, June 24th, 11:00 a.m. - 1:00 p.m., 2021.**

We have produced similar events – Heart of Marin and Heart of Napa Awards – for years, and have been able to award **hundreds of thousands of dollars** back to nonprofits and the individuals who serve them.

Heart of Sonoma County would not only help support nonprofits with critical funds, but provide a platform for sharing success stories, innovative strategies, and information on services offered with the broader community. Now more than ever nonprofits deserve recognition for the life-changing, vital services they provide every day.

HOW THE EVENT WORKS:

Thanks to the generosity of our sponsors, we are able to provide monetary gifts to recipients in award categories.

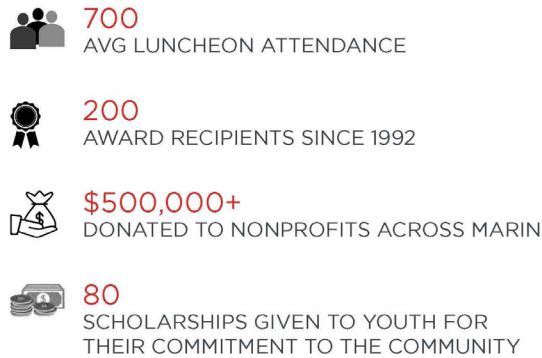

The community is encouraged to nominate in all award categories. Panels are hand-selected and meet to select recipients in each category.

Everyone is invited to attend the awards ceremony where the recipients are announced and all nominees are recognized for their contributions. It is an afternoon filled with inspiration, gratitude, and some (happy) tears!

“Congratulations for putting together a wonderful event! I've attended far too many events that are mediocre at best. The Heart of Marin was top notch logistically and programmatically.
