What is 100MARIN?

100MARIN is a member-based giving circle produced by Center for Volunteer & Nonprofit Leadership (CVNL). Founded in January 2015, the group has over 200 members whose collective donations support local nonprofits serving our community. To date the organization has awarded over \$345,000 to nonprofits serving Marin County.

With your sponsorship, 100MARIN will be able to expand our reach, educate and engage more individuals about philanthropy and social change, and connect members to nonprofits, their communities, and each other.
